About the Book

Below Miracle On The Mountain is the gripping true story of Nando Parrado, one of the survivors of the 1972 Andes plane crash. After the plane crashed in the remote mountains of Argentina, Nando and his fellow survivors were stranded for 72 days. With no food, no shelter, and no hope of rescue, they faced a seemingly impossible situation.

But Nando refused to give up. He led his fellow survivors in a desperate fight for survival. They rationed their food, built makeshift shelters, and endured the freezing temperatures and relentless storms. And through it all, they held onto their faith.

Below Miracle On The Mountain is a story of courage, resilience, and the power of the human spirit. It is a story that will inspire you to never give up, no matter how difficult the challenges you face.
