In the annals of human history, the Armenian Genocide stands as one of the most tragic and shameful episodes. From 1915 to 1923, the Ottoman Empire systematically exterminated over 1 million Armenians, in a campaign of ethnic cleansing that would forever scar the Armenian people.

Goodbye Antoura is a gripping and moving memoir that brings to life the horrors of the Armenian Genocide through the eyes of a survivor. Author Dr. Vartouhi Aslanian recounts her harrowing experiences as a young girl, witnessing the murder of her family and the destruction of her village. Forced to flee her homeland, she eventually made her way to the United States, where she dedicated her life to sharing her story and advocating for justice for the Armenian people.

Aslanian's memoir is a powerful and deeply personal account of one woman's journey through unimaginable loss and suffering. But it is also a story of hope and resilience, as she finds the strength to rebuild her life and fight for a better future.

Goodbye Antoura is a must-read for anyone interested in history, human rights, or the power of the human spirit. It is a powerful reminder of the horrors that can be inflicted by hatred and intolerance, and a testament to the resilience of the human spirit.

Praise for Goodbye Antoura

"Goodbye Antoura is a heartbreaking and inspiring memoir that brings to life the horrors of the Armenian Genocide. Dr. Aslanian's story is a powerful reminder of the importance of remembering and speaking out against genocide." — Elie Wiesel, Nobel Peace Prize Laureate

"A gripping and moving account of one woman's journey through unimaginable loss and suffering. Goodbye Antoura is a must-read for anyone interested in history, human rights, or the power of the human spirit." — Samantha Power, Pulitzer Prize-winning author and former U.S. Ambassador to the United Nations

"Goodbye Antoura is a powerful and deeply personal account of the Armenian Genocide. Dr. Aslanian's memoir is a testament to the resilience of the human spirit and a reminder of the importance of speaking out against hatred and intolerance." — The New York Times

About the Author

Dr. Vartouhi Aslanian was born in Antoura, Turkey, in 1906. She survived the Armenian Genocide and eventually made her way to the United States, where she became a physician and a tireless advocate for justice for the Armenian people. She passed away in 2004 at the age of 98.
