

How I Tried to Help the World's Most Notorious Mayor

In the annals of political history, there are few figures as controversial and notorious as Rob Ford, the former mayor of Toronto. His tenure in office was marked by a litany of scandals and missteps, including drunken rants, drug use, and allegations of corruption. But behind the headlines and the public persona, there was a complex and deeply flawed human being.

In his new book, "How I Tried to Help the World's Most Notorious Mayor," Mark Towhey, Ford's former chief of staff, offers a unique and intimate glimpse into the life and mind of this enigmatic figure. Towhey, who spent four years working closely with Ford, provides a firsthand account of the mayor's struggles with addiction, mental illness, and the relentless pressure of public life.
