By [Author's Name]

In this harrowing and hopeful memoir, [Author's Name] shares her experience of postpartum psychosis, a rare and devastating mental illness that can occur after childbirth.

After the birth of her second child, [Author's Name] began to experience strange and disturbing thoughts. She became convinced that her husband was trying to poison her, and that her children were in danger. She was unable to sleep or eat, and she began to lose touch with reality.

Eventually, [Author's Name] was hospitalized and diagnosed with postpartum psychosis. She spent the next several months in the hospital, receiving treatment for her illness. With the help of medication and therapy, she was eventually able to recover.

In *Inferno*, [Author's Name] shares her story with raw honesty and courage. She vividly describes the terrifying symptoms of postpartum psychosis, and the challenges of getting the help she needed. She also writes about the love and support of her family and friends, which helped her through her darkest days.

Inferno is a must-read for anyone who has ever struggled with mental illness or the challenges of parenting. It is a powerful and inspiring story of hope and recovery.
