The story begins in East Los Angeles, where a group of friends are cruising in their lowrider. They are bored and looking for something to do when they come across a strange map. The map claims to lead to the center of the earth.

The friends are intrigued and decide to follow the map. They drive their lowrider into a hole in the ground and begin their journey. As they travel deeper and deeper into the earth, they encounter giant monsters, lost civilizations, and the secrets of the universe.

Lowriders To The Center Of The Earth is a wild and imaginative adventure story that will appeal to readers of all ages. It is a story about friendship,

courage, and the power of imagination.
