Milton Hershey was born in Derry Church, Pennsylvania, on September 13, 1857. His parents were farmers, and Milton grew up working on the family farm. He was a hard worker, and he always had a dream of starting his own business.

Milton's first job was in a print shop. He learned a lot about business, and he also developed a love of chocolate. He started experimenting with making chocolate, and he soon realized that he had a talent for it.

In 1886, Milton started his own chocolate company. He called it the Hershey Chocolate Company. The company was a success, and Milton soon became one of the most successful chocolate makers in the world.

Milton Hershey was a generous man. He donated millions of dollars to charity, and he also founded the Milton Hershey School. The school provides a free education to orphaned and underprivileged children.

Milton Hershey died in Hershey, Pennsylvania, on October 13, 1945. He was 88 years old. He is remembered as one of the most successful chocolate makers in the world, and he is also remembered for his generosity.

## **Milton's Childhood**

Milton Hershey had a difficult childhood. His father died when he was four years old, and his mother remarried a few years later. Milton did not get along with his stepfather, and he often ran away from home.

Milton's mother worked hard to support her family. She worked as a seamstress, and she also took in laundry. Milton helped his mother with her work, and he also worked on the family farm.

Milton was a good student, and he loved to read. He also loved to play baseball. Milton was a talented pitcher, and he helped his team win many games.

Despite his difficult childhood, Milton never gave up on his dreams. He worked hard and eventually became one of the most successful chocolate makers in the world.

## **Milton's Chocolate Company**

Milton started his own chocolate company in 1886. He called it the Hershey Chocolate Company. The company was located in Hershey, Pennsylvania.

Milton's chocolate company was a success from the start. He made delicious chocolate, and he sold it at a fair price. Milton also marketed his chocolate aggressively, and he soon became one of the most popular chocolate makers in the world.

In 1900, Milton Hershey built a new chocolate factory in Hershey, Pennsylvania. The factory was one of the largest and most modern

chocolate factories in the world. Milton also built a town around the factory, and he called it Hershey.

The Hershey Chocolate Company continued to grow and prosper. Milton Hershey became one of the richest men in the world. He also became one of the most generous men in the world. He donated millions of dollars to charity, and he also founded the Milton Hershey School.

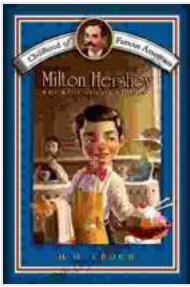

### **Milton's Legacy**

Milton Hershey died in 1945. He was 88 years old. He is remembered as one of the most successful chocolate makers in the world, and he is also remembered for his generosity.

Milton Hershey's legacy lives on today. The Hershey Chocolate Company is still one of the largest and most popular chocolate makers in the world. The Milton Hershey School continues to provide a free education to orphaned and underprivileged children.

Milton Hershey was a great man. He overcame many challenges in his life, but he never gave up on his dreams. He achieved great success, and he used his wealth to help others. Milton Hershey is an inspiration to us all.

Milton Hershey's story is a classic American success story. He was born into poverty, but he worked hard and eventually became one of the most successful chocolate makers in the world. He also became one of the most generous men in the world. Milton Hershey's story is an inspiration to us all. It shows us that anything is possible if we work hard and never give up on our dreams.
