About the Book

This fun-filled book is perfect for little explorers who want to learn all about animals. With big, colorful photos and easy-to-understand text, this book introduces kids to over 100 animals from all over the world.

The book is divided into different sections, each focusing on a different type of animal. There are sections on mammals, birds, reptiles, amphibians, fish, and insects. Each section includes information on the animal's habitat, diet, and behavior.

The book also includes fun facts about each animal. For example, did you know that the giraffe is the tallest land animal? Or that the chameleon can change its skin color to match its surroundings?
