SAT Math Mastery is divided into three sections:

- **Advanced Algebra:** This section covers all of the advanced algebra topics that you need to know for the SAT, including polynomials, factoring, quadratic equations, and logarithms.
- **Geometry:** This section covers all of the geometry topics that you need to know for the SAT, including triangles, circles, polygons, and coordinate geometry.

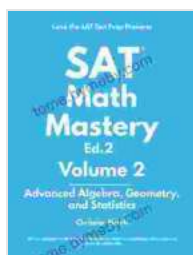

- **Statistics:** This section covers all of the statistics topics that you need to know for the SAT, including probability, descriptive statistics, and inferential statistics.

Each section of SAT Math Mastery includes:

- **In-depth explanations:** Clear and concise explanations of all of the concepts that you need to know.
- **Practice questions:** Hundreds of practice questions to help you test your understanding of the material.
- **Expert tips:** Tips and strategies from experienced SAT instructors to help you improve your score.

With SAT Math Mastery, you can be confident that you will have everything you need to succeed on the SAT math section. Free Download your copy today!
