

# The Mystery of the Hunley: Unraveling the True Story of the First Submarine

In 1864, during the Civil War, a Confederate submarine called the H.L. Hunley sank in Charleston Harbor. It was the first submarine to successfully sink an enemy ship, but it also had a tragic history, with 20 sailors losing their lives in three separate accidents.

For over a century, the Hunley remained at the bottom of the harbor, a mystery to be solved. In 1995, a team of explorers finally raised the Hunley from the depths. This book tells the story of the Hunley, from its construction to its discovery, and reveals the secrets that have been hidden for so long.
