The war began in 1955, when the United States began sending military advisors to South Vietnam to help fight the communist North Vietnamese. The war escalated in 1965, when the United States began bombing North Vietnam. In 1968, the North Vietnamese launched the Tet Offensive, a major attack on South Vietnamese cities. The Tet Offensive was a turning point in the war, and it led to a decrease in American support for the war.

The war ended in 1975, when the North Vietnamese captured Saigon and the United States withdrew its troops. The war was a defeat for the United States, and it had a profound impact on American society.

The Vietnam War: Living Through is a powerful and moving account of the Vietnam War from the perspective of those who lived through it. This book tells the stories of soldiers, civilians, and protesters, and provides a comprehensive overview of the war's history and impact.

The book is divided into three parts. The first part, "The War," tells the story of the war from the perspective of those who fought in it. The second part, "The Home Front," tells the story of the war from the perspective of those who lived at home in the United States. The third part, "The Aftermath," tells the story of the war's aftermath, and how it has affected the lives of those who lived through it.

The Vietnam War: Living Through is an essential book for anyone who wants to understand the Vietnam War. It is a powerful and moving account of one of the most controversial wars in American history.
