A Journey Through Time and Inspiration

Embark on a chronological journey that traces the evolution of American studio craft from its humble beginnings in the colonial era to its flourishing in the modern age. Witness the transition from functional objects to artistic expressions, as potters, glassblowers, woodworkers, and textile artists redefined the boundaries of craft.

Meet the Master Craftsmen

Meet the visionaries who left an indelible mark on American craft. From renowned ceramists such as George Ohr and Maria Martinez to pioneering weavers like Anni Albers and Dorothy Liebes, "Makers" introduces you to the extraordinary lives and groundbreaking work of these artistic pioneers.

Unveiling the Creative Process

Go behind the scenes and witness the alchemy of creation. Explore the techniques, materials, and inspirations that fuel the imagination of studio craftspeople. Discover the interplay between tradition and innovation, as masters push the boundaries of their chosen mediums.

Witness the Birth of an Artistic Movement

Trace the rise of the American studio craft movement from its roots in the Arts and Crafts movement to its blossoming in the mid-20th century. Learn how the influence of European design, the Bauhaus, and the counterculture shaped the aesthetics and philosophy of studio craft.

A Treasure Trove of Visual Inspiration

"Makers: A History of American Studio Craft" is not only a historical account but also a visual feast. Over 400 stunning illustrations showcase the exquisite beauty and craftsmanship of studio craft objects, from intricate ceramics to sculptural glass and woven masterpieces.

Educational and Entertaining

Whether you are a seasoned collector, an aspiring artist, or simply an admirer of fine craftsmanship, "Makers" offers a wealth of knowledge and inspiration. Its accessible writing style and engaging narrative make it an enjoyable and educational read for audiences of all levels.
