By Emily Spivack

In her captivating book, *Worn Stories*, Emily Spivack invites us on an extraordinary journey through the closets and memories of ordinary people. Through intimate interviews, Spivack unravels the hidden tales woven into the fabric of our most cherished garments. From a Holocaust survivor's striped prison uniform to a Vietnam veteran's patched-up flight suit, each piece becomes a poignant reminder of the human experience.

Spivack's subjects come from all walks of life, each with a unique story to tell. There's the young woman who wears her father's old flannel shirt as a way to feel close to him after his passing. The elderly couple who share a quilt made from scraps of their wedding dress and the shirts their children wore as babies. And the artist who transforms used clothing into wearable sculptures, giving new life to discarded garments.

Through these deeply personal stories, Spivack reveals the power of clothing to connect us to our past, present, and future. Our clothes can be a source of comfort, joy, and inspiration. They can also be a reminder of the challenges we've faced and the people we've loved and lost.

Worn Stories is a beautifully written and deeply moving book that will change the way you think about clothing. It's a celebration of the human experience and a reminder that even the most ordinary objects can hold extraordinary stories.

Praise for *Worn Stories*

"A fascinating and moving exploration of the stories we wear." — *The New York Times*

"A testament to the power of storytelling and the hidden lives of objects." — *The Washington Post*

"A beautiful and thought-provoking book that will stay with you long after you finish reading it." — *Oprah.com*
